

Static Pressure Relief Systems

An overlay is an inexpensive one piece foam mattress. The modular design ensures comfort, support and pressure reduction for a patient at a low risk of developing a pressure ulcer. Fully fitted with a vapour permeable two way stretch waterproof cover. Easy to clean.

CODE	DESCRIPTION	QTY.	PRICE
HCS20	Foam Overlay Mattress	1	£90.00
HCS61	Foam Replacement Mattress	1	£127.50

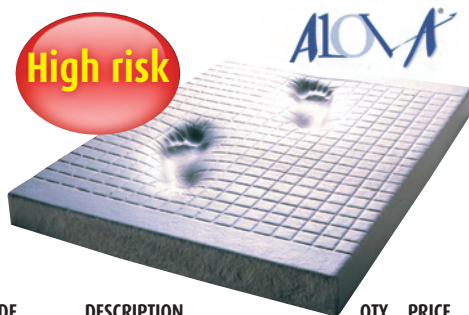

The Replacement mattress is suitable for all types of beds. The modular design allows the mattress to profile to any type of mattress base, thus reducing the effects of shear and friction.

Low-Medium risk
