## Vernagel

### Benefits

- Eases nurses workload
- Reduces risk of cross infection
- Prevents spillages and leaks
- Minimises or eliminates residual odours
- Saves laundry and cleaning costs
- Protects patient dignity and increases patient confidence

CODE	DESCRIPTION	QTY.	PRICE
450MA100	Vernagel Sachet	100x6g	£19.95
456MA475	Vernagel Loose Powder	1x475g	£14.36
456MA400	Vernagel Loose Powder	1x4kg	£69.01

Vernagel is designed specifically to cope with bodily fluids - trapping them in a dry, semi solid gel that is convenient and easy to dispose of. Use one 6g sachet in bedpans, slipper pans and urinals before use to prevent spillages and leaks or shake loose powder on to the floor to soak up spillages.

Trials carried out in four hospitals confirmed that by preventing spills Vernagel sachets would save an average ward 135 days a year in nurse time and £2,600 a year on laundry costs.

Prevents spillages and leaks
